ABOUT KALAS SPORTSWEAR

KALAS Sportswear is a leading manufacturer and distributor of premium cycling apparel throughout Europe. We are the custom cycle wear experts, producing premium quality kit in your own printed design. As well as custom ranges, we also have an extensive range of standard collection wear.

CHAMPIONS WEAR KALAS

“British Cycling is delighted to be working with Kalas. They have demonstrated a detailed understanding of the performance demands of such a technical partnership. Having a kit supplier with their in-depth knowledge and high level of service is invaluable to the Great Britain Cycling Team.” Iain Dyer, Head Coach, Great Britain Cycling Team

KALAS is the choice of World and Olympic champions, national teams, Pro teams, Six Day London and thousands of cyclists across the globe. In addition to British Cycling we are also the trusted supplier for some of the world’s leading companies, including Budweiser Budvar, Marks & Spencer, Bayer, Skoda and Subaru. Our kit has been tested in some of the toughest races in the world, including Paris-Roubaix, Tour of Flanders and in 2017 will debut at the Tour de France.

DEVELOPMENT & INNOVATION

We evolve daily, and constantly seek new ways to improve our products and service. To develop the next generation of cycle clothes we work together with professional sports people and renowned research institutions, such as the Technical University of Liberec, creating kit that meets the highest standards of functionality and comfort.

MATERIALS AND PADS

Spinn

Weft-knitted polyester material developed for highly functional cycle wear. Two-layer structure made from lightweight fabrics with the reverse side from special microfiber that effectively transfers the sweat to the top layer. The Spinn material is very breathable and provides a comfortable fit.

Microfiber

This material is very breathable and at the same time provides reliable protection against wind and rain. Fashionable apparels in microfibres have graceful flow, silk-like feel and are extremely comfortable. Microfiber clothing is not sensitive, retaining its positive qualities after washing or cleaning.

Lycra

The Lycra fabrics offer stretch and recovery power designed to help any cyclist to move and perform at their best, while feeling comfortable. This textile material is a perfect combination of light-weight, breathability, close-fit, shape retention and freedom of movement.

SPEED MAN

Men's elastic pad of the ELASTICI INTERFACE TECHNOLOGY® series in three dimensional design. It guarantees a good level of protection and comfort.

Important features:

- anatomic three dimensional shape
- dual density construction guarantees good degree of protection and comfort
- newly developed elastic material – E.I.T. CUBE – incredibly soft with microfiber and polyester fibres for maximum breathability
- specially designed perineal area to preserve natural blood circulation and to protect the sciatic nerve
